MR

No problem at all! Thanks. Glad we're eating healthy today =)

Food is coming from salad farm around 11:45 for fig meeting. It is under my name, but I told them to ask for you upon delivery for instructions on where it goes and things. It is all paid for so no need to sign or anything. They might give you receipt but that's it. Hope this is ok. If there are any questions or problems call me [REDACTED]

See you soon,  
Katie
